Bison Crusher

Heavy Duty Rotary Grinder for Reducing

Handles a wide variety of materials:

- Brick
- Chalk
- Charcoal
- Clay
- Coal
- Corn Cobs
- Fertilizers
- Ores
- Pigments
- Pumice Stone
- Rock Salt
- Rosin
- Soap
- Sulphur
- Dehydrated Fruit & Vegetables

Application:

Unquestionably the most powerful crusher of it's size; it is the product of years of experience. A horizontal crusher exceptionally strong, durable, heavy duty machine with a wide range of uses. Designed for reducing free flowing material to a desired uniform degree of finer product. Easily and quickly set up, it can be adjusted to grind fine or coarse while machine is running. Adjusting device is strong, easily manipulated, and when once set remains set until the operator unlocks the hand wheel. The crushing parts are made of the best materials and may be easily and economically replaced.
